The Ottawa Network of Children's & Family Ministries

Sharing. Encouraging. Equipping. Praying.

Meeting informally on a seasonal basis since 2002, for the purpose of sharing, encouraging, and prayer, the network of Children's Ministry leaders has grown over the years to meeting almost bi-monthly with the added purpose of planning the VAULT – a day of equipping and encouraging for children's ministry workers.

The meetings are regularly attended by leaders of children's ministries from some 10 different churches in the region. If you are helping to lead the children's ministries in your church, in a staff or voluntary role, and would like to participate in these meetings please let us know. For more information about the Network or the VAULT, contact your local church's Children's Ministry Director or check out our website at :
